WSM – Saturday, Sep 24, 2022 - Session Summary (Robotics...)

When: Saturdays - 9:45 a.m. until 12:15 p.m.

Where: Naperville North High School or Alive, Naperville Teen Center

Robotics Presentation & Workshop – September 24th (Facilitators: NNHS Robotics Team)

Mr. Thomas “TC” Collier opened the session by treating attendees to several demonstrations of magical feats using a deck of cards. Mr. Collier left students and adults in disbelief with his demonstrations.

The session continued with an exceptional presentation, demonstration, and workshop delivered by a Robotics Team comprised of Naperville North and Naperville Central High School students. Key take away notes from the dynamic session follow:

- The Robotics Team has over 100 participating students
- There are three (3) participant levels; students can become involved even at the elementary level
- One does not have to be an aspiring engineer to participate on the Team

Students were introduced to the Robotics Team’s Competition Robot and witnessed its capabilities. Session attendees were then granted the opportunity to select one or more hands-on workshops where they could gain insights to Coding, Computer Aided Design (CAD), Electronics, and 3D Printing.

Our appreciation is extended to Mr. Geoffrey Schmit, Mr. Mark Rowzee, and the Robotics Team of NNHS & NCHS students for taking time out of their Homecoming Weekend to prepare and deliver such a dynamic presentation to our students. We are truly appreciative.

Our Next Session will be held: Saturday, October 1st, 2022 at 9:45 a.m.

Location: ALIVE Teen Center, 500 N. 5th Avenue, Naperville 60563

Topic: “Banking & Financial Services”

Facilitator: Mr. Lawrence “Larry” Richardson
